

Just a note to say

Thanks!

Susan Lancaster & Dennis Eldjarnson
Royal LePage

We would like to send this “note” of gratitude from our family to the Royal LePage team of Susan Lancaster, Dennis Eldjarnson and Nicole!

We would like to express our appreciation for such an amazing, exceptional performance on the sale of our existing property and the purchase of our brand new home!

The level of knowledge that Susan and her team demonstrated over the duration of our sale and purchase, far exceeded our expectations. We are truly grateful and feel very fortunate to have had such a team work with our family.

Susan Lancaster is truly a diamond. It is rare in today’s society and marketplace to find honesty, integrity, ethics, professionalism and poise. All of these characteristics seem to come natural for Susan and her team.

Because of Susan Lancaster’s representation of Royal LePage, we would highly recommend her and the company without hesitation.

We want to thank you Susan & Dennis for availing yourself to our family right from the very first phone call.

May every blessing be granted to you and your team.

Sincerely

A J Thomas
