To Whom It May Concern:

We are writing to express our complete satisfaction with Susan Lancaster and Dennis Eldjarnson as realtors, and we would like to thank you for your help in purchasing our home in Mississauga.

Throughout the entire process Susan and Dennis were professional, conscientious, and motivated. We always felt as though we were their only client. They made the process very easy and painless for us. They listened to what we wanted and did not pressure us to look beyond the parameters we set. They were very patient with us throughout our search.

Despite the fact that it was Christmas Holydays and that we had to be in Winnipeg (Manitoba) for a while, the work of researching and buying our home proceeded smoothly, mainly due to their efforts. The digital photos of our new property that they sent, so that we could see the rooms of the house, while we were in Winnipeg, were truly appreciated.

They also did a fantastic job keeping everyone on schedule and ensuring that we received all of the necessary paperwork to make our purchase smooth and painless.

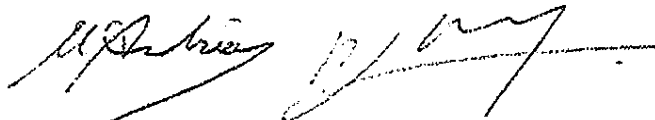

It will be our pleasure to recommend you to anyone wanting to buy real estate in Mississauga.

Again, thank you for assisting us in this venture. And happy trails to you as well!

Sincerely,

Lauréline Andrieu
